

# Work Placement Vacancies

**Would you like to support young people in our area to build their employability skills and become well informed about the workforce needs of our region?**

We are looking for employers who can offer an extended work experience placement to a Y10 or Y11 student (14 – 16 years old).

This involves offering work to a young person for 1-2 days per week, for six weeks or more.

Our students have an interest in a range of work sectors including:

- Manufacturing and Engineering
- Agriculture
- Transport, Warehousing & Logistics
- Creative and Media
- Energy and Bio Renewables
- Food Manufacturing
- Health and Social Care
- Hospitality and Tourism
- Construction
- Retail
- Personal Services
- Education & Childcare

## Benefits to your business

- Develop the supervisory and management skills of your current workforce.
- Enhance your public profile by supporting your local community.
- Accessing a pool of talent – young people can offer a fresh perspective on your business.
- Promoting workforce diversity.

## Benefits for our students

- Building confidence, motivation and wellbeing.
- Learning new skills and experiencing the work environment.
- Better understanding of the job market and what it means to be an employee.
- Gaining experience to put onto their CVs for future applications for college, apprenticeships, training or employment.
