

Emergency Support – Hambleton 2022

Financial Issues

**IN CASE OF
EMERGENCY**

Local Assistance Fund The fund supports vulnerable adults to move into or remain in the community, and to help families under great pressure to stay together. Awards are made in-kind, for example, by supplying household goods and necessities.

The fund provides practical support for vulnerable people who are moving into or seeking to remain within the community; for example, you may have recently experienced a crisis and need a few basic essential items to help you cope. You may apply for up to two awards of emergency food and / or utility top-up in any 12-month period.

For other items provided under the fund, a maximum entitlement of two items may also be awarded within the same 12-month period, only one of which may be a white good item.

To be eligible for support, you must also be able to demonstrate that you: are 16 years or over; live in North Yorkshire; receive a means-tested benefit or have a household income below the low income threshold (currently £16,105) and less than £1,000 in capital; or have a need that cannot be met from other forms of support.

Submitting an application

Applications are made through authorised agencies that will provide support to those who are eligible and are identified as vulnerable.

[You can find a list of the authorised agents who are available.](#)

If you are wanting to apply for food and/or utility support, and it's your first time applying or you are applying for the temporary additional award described at the top of this page, you can contact the fund's administrator to apply on [01904 550030](tel:01904550030).
