

Ks4 Art & Design

Students follow the AQA Art & design specification will learn how to develop their ideas using a wide range of media and techniques throughout their A3 sketchbook: starting a project, title page, mind map, observational drawing, and artworks influenced by various artists/cultures. Students will learn how to refine their work by exploring and recording ideas and present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.

- Students will be encouraged to annotate their work and build on their reading skills throughout their lessons. Techniques and skills from previous topics will be revisited throughout the terms; strengthening student's knowledge.
- Year 10: Spring 2 and Summer 1 will follow the topic of the external exam towards their coursework
- Topic/unit of study may change depending on pace of students and their interest/direction
